## ***PCGS Will Accept Coin Submissions at Singapore International Coin Fair***

For the convenience of collectors and dealers, Professional Coin Grading Service ([www.PCGSglobal.com](http://www.PCGSglobal.com)) will accept coin submissions at Booth #M3 during the upcoming Singapore International Coin Fair, March 30 - April 1, 2012.

PCGS-certified coins then will be available for pickup the following week at the back-to-back pre-show and Hong Kong International Coin Convention and Antique Watch Fair. Arrangements can also be made with Malca Amit Far East Ltd. to have the coins returned by shipment to the submitter, or the PCGS-certified coins can be picked up at Malca Amit's Singapore location after April 10.

The Singapore show will be held at the new Marina Bay Sands Resort. The Hong Kong pre-show and convention will be at the Holiday Inn Golden Mile, April 3 - 8.

"All coins will be authenticated and graded through the industry's highest standard of security and reliability, PCGS Secure Plus™ and will receive PCGS' unlimited guarantee," said Muriel Eymery, Vice President of International Business Development for PCGS.

Graded coins can be picked up in the Crystal Room 3 of the Holiday Inn during the pre-show, April 3 - 5, or at the Hong Kong show (April 6 - 8). "The PCGS full cash-back Secure Plus guarantee extends to all coins including all World coins and ensures the authenticity and accuracy of the grade assigned to any coin as long as it remains in its Secure Plus tamper-evident holder," Eymery explained.

PCGS President Don Willis reminds dealers and collectors that PCGS now is offering new, oversized holders that can accommodate coins as large as 100 millimeters in diameter.
